### **DataTrade Announces New Financing Arrangement With Commerce Bank, Springfield, MO**

*New facility restructures debt and adds revolving line of credit for business expansion.*

Springfield, MO—DataTrade announced today that it had reached agreement with Commerce Bank, Springfield, MO, to restructure its long term debt and add a line of credit to enable the company to take full advantage of the competitive advantages it is currently experiencing in the financial software marketplace.

For the past three years, DataTrade's revenue and profitability have been growing between thirty and forty percent. "This line of credit will enable us to accelerate our growth even more in 2007," said Colin D. McAllister, DataTrade's CEO. "Our new software products, particularly Remote Deposit, Remittance and CheckScan, are really gaining traction, and this line will allow us to take full advantage of our market potential," he added.
